5. Governance

IMI Delhi was registered on 19th September 1981 as an autonomous, 'Not for Profit' educational society under the Societies Registration Act 1860. The parent body or the supreme authority in IMI Delhi is the IMI Society. The Institute is governed by the Board of Governors who are appointed on the advice of the supreme body of IMI i.e. the IMI Society. Society meetings are generally held once a year to transact the following business.

The Board of Governors ensures the overall control of all affairs of the Institute, such as properties, assets and funds, and is empowered to act for the Institute in all matters. The Board has the following powers and functions:

Recommend Annual Report and Audited Accounts to the General Body and approve budgets.

Approve the Institute's plans and programmes and set up offices, branches, campuses, specialized centers and facilities in India and abroad to further the Institute's objectives.

Accept management of any trust fund or endowment in which the Institute is interested. Appoint and control staff and regulate their recruitment, remuneration and conditions of service. Set up norms of acceptance of candidates for the Institute's educational Programmes.

Enter into contracts and agreements for and on behalf of the Institute. Sue and defend all legal proceedings on behalf of the Institute.

Appoint committees for different functions and purposes and delegate such powers to them that it may think fit.

Make and repeal or alter byelaws for conducting affairs and business of the Institute, Board, its committees, General Body Meetings and other matters within its powers.

Delegate appropriate powers to the Chairman, Director, Registrar and other officers of the Institute.

Scrutinize and approve applications for new memberships.

Raise funds through debentures or loans from financial institutions/Banks for running the activities of the Institute, including construction of the Campus.

Generally, they do all things necessary or expedient for due conduct of the business and affairs of the Institute.

The IMI board has distinguished persons from industry, government and academics headed by Industrialist Late Shri R. P. Goenka, chairman-emeritus, RPG Enterprises till 2009.

In 2010, Dr. Sanjiv Goenka take over as the chairman, IMI board of Governors. Dr. Sanjeev Goenka is a prominent industrialist of the country. The other members of the Board of Governors with their brief background is presented in the table below. There is a proposal to include an alumni representative in the IMI board.

List of Board Members

S.No.	Board Members
1.	Dr. Sanjiv Goenka Chairman, RP Sanjiv Goenka Group and Chairman, IMI Board of Governors
2.	Shri P.K. Khaitan Senior Advocate & Senior Partner, Khaitan & Co.
3.	Smt. Savitri Kunadi Former Indian Ambassador
4.	Dr. Harsh Pati Singhania Vice Chairman & Managing Director, J K Paper Ltd.
5.	Shri Harshvardhan Neotia Chairman, Ambuja Realty
6.	Shri V K Sharma Former Executive Director, RBI
7.	Dr. Suresh Ramanathan Chief Executive Officer, IMI
8.	Dr. Jones Mathew Director, IMI Delhi
9.	Dr. Amit Sareen Director, IMI Bhubaneswar
10.	Dr. D. P. Goyal AICTE Nominee

The supreme authority is the General Body of IMI which consists of nominees of Founder, Life and Associate Members. The General Body elects the Board of Governors which consists of representatives of General Body members and other nominated eminent persons from academics,

Industry and senior retired bureaucrats and plutocrats from Govt. of India. The Board appoints a Director for managing day-to-day activities of the Institute. On behalf of the Board, the Chairman has set up the following committee to facilitate the functioning of the institute.

The Director is the Academic and Administrative head of the Institute. He is assisted by various internal committees to carry out routine administrative and academic functions. For academic matters, the Institute has an Academic Council that consists of the Director, Deans, all programme Directors, Area chairs & Registrar. The body meets regularly to decide on academic performance and integrity, standards in grading, credit transfer and equivalence for exchange students, waivers if any to be given to students etc. The course allocation decisions are made by the Dean (Academic) upon the advice of area chairs. Each area has a chairperson who suo moto or on a need basis convenes meetings at the area level to advise the academic council on course allocation, content overlap and visiting faculty engagement.

All administrative matters are supervised and conducted by Registrar of the Institute. As per the delegation of financial powers, approval of Director is obtained on major purchase/contracts. The standard norms and best practices are followed in procurements by inviting bids from eligible and entrusted vendors. Advertised Tender inquiries are also resorted to for goods/services where an adequate in-house vendor base is not available.

A detailed SOP, generally on same lines as followed in all process driven organizations including the broad principals laid down in GRR 2017 is available and is followed in letter and spirit. Generally, a two-bid procurement policy is adopted for purchase of goods. For purchase of services however, a QCBS (Quality Cum Cost Based Evaluation System) is followed. All major procurements are executed through an inclusive decision-making mechanism in a very transparent and fair manner collectively through a committee with adequate participation from the user department.

Co-option of External Experts

Chairman may co-opt one or more external members possessing relevant technical expertise on the committees as he deems necessary. He may, in addition, set up other committees from time to time as necessary for effective functioning of the Board.

The Director is responsible for the functioning of the Institute, performance of the faculty, staff and students/trainees, administration of the office, and co-ordination of the work of committees. The Director implements the MOUs with external agencies, enforces the norms of academic standards and the requirements of relevant statutory bodies. He also reports to the Chairman and the Board and exercises powers that are delegated to him by the Board.

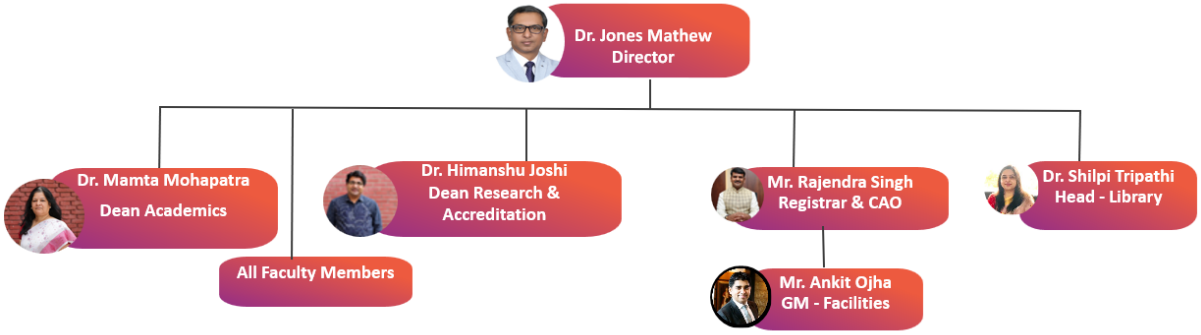

To assist the Director in the functioning of the institute there is a Registrar an ex-officio who is also the Secretary to BOG. The Secretary prepares agenda papers for all meetings of the Board and the General Body and maintains a record of proceedings at all meetings. He also reports action taken on decisions of the Board and the General Body in their respective meetings.

The idea of IMI DELHI is captured in its mission, which is described below. The foundation of the institute is built on excellence and the institutional culture that has developed over the last thirty five years has reinforced this idea. To generate excellence, we feel that there must be independence with accountability. The structure of IMI DELHI allows a great deal of independence and flexibility in practice. There are many examples that demonstrate this from introduction of new courses and new programmes, hiring of faculty, engagement with sister institutions in India and abroad, an active interface with industry including the participation of industry experts in the curriculum management.

The Board of Governors has adopted a laissez faire approach and is extremely supportive of the institute

in various initiatives. The intellectual capital of IMI DELHI is rated very highly by peers which is always a good indication, and is reflected in the ranking of the Institute by NIRF and other agencies on this parameter.

Organizational chart and processes

Nature and Extent of involvement of faculty and students in academic affairs improvement

The Institute encourages students to take student-driven academic/professional initiatives to complement their classroom learning with practical aspects of the real business world. These activities range from organizing special events focusing on current affairs to carefully planned symposia and lectures that enrich the participants' professional, academic and extracurricular interests. To achieve this, students have various academic/professional clubs in different functional areas. The speakers for all these events are eminent business personalities. All the events are planned and executed by the students, in close coordination with Area faculty members and other office bearers of the Institute.

Student Feedback on Institutional Governance/Faculty performance

IMI Delhi is committed to deliver a high-quality education through continuous improvement and ongoing innovation in curriculum to ensure fulfilment of learning objectives of post- graduate programs. IMI Delhi has a formal structured system for curriculum development andchange. This process is not limited to designing, development, monitoring and evaluation of learning goals but also focuses on a rigorous feedback mechanism from all stakeholders of IMI Delhi. The curriculum development and change process at IMI Delhi involves all major stakeholders like faculty members, external experts, alumni and industry representatives. IMI Delhi believes in industry relevant curriculum design and delivery.

At IMI Delhi, the key committees driving curriculum management and assurance of learning (AOL) are **Faculty Council (FC), Academic Council (AC), Curriculum Restructuring Committee (CRC) and Area Consultative Committee (ACC).** The compositions of these committees are as follows:

The **Faculty Council (FC)** comprises all faculty members led by Director of the Institute. The role of faculty council is to give final approval to any proposal for new program, new course or change in existing structure of program and course.

The **Academic Council (AC)** comprises Director, Dean Academics all Programme Chairs, all Area Chairs & Coordinator IQAC. The role of Academic Council is to discuss all academic matters of importance which require decisions regarding academic policies. Academic Council is responsible for overseeing proposed changes in the program structure before it is taken to Faculty Council. The Academic Council is also responsible for overseeing the result resolution before declaring the result of the graduating batch.

The **Curriculum Management Committee (CRC)** comprises Dean Academics, AACSBAccreditation Committee members, Program Chairs, Area Chairs & Head Executive Education & Carrer Services. This committee is responsible for curriculum management and AOL at IMI Delhi. The CRC ensures continuous improvement of each program and achievement of learning goals of each of the programs.

The **Area Consultative Committee (ACC)** has also been set up for each functional area at IMI Delhi. It comprises area faculty members, expert from academia and industry and alumni. The role of ACC is to design and develop new courses and update existing core and elective courses in respective areas.

Regular feedback is taken from the students regarding the course and pedagogy followed in the classroom and accordingly corrective measures are taken.

Performance Standards

Faculty Workload (PMS)

Effective date:

The new faculty workload policy (PMS) will be effective from the academic year starting on July 1 2026.

PROGRAM DETAILS AT IMI DELHI ***(Objective; Goals; Structure; Elective/Course/ Facilitator List)***

Two Year Full Time PGDM

Launched in 1993, two year Post Graduate Diploma in Management is designed to prepare students for careers in industry, across functional areas. The program equips students with strong conceptual skills to manage businesses in an integrated manner. The emphasis is on developing a holistic manager with a vision to take on the challenges of the future in a socially sensitive manner. The program is approved by AICTE and accredited by NBA, Has MBA equivalencegranted by AIU, and international accreditation by AMBA and SAQS.

Program Goals and Objectives

Goal 1: Demonstrate written and oral communication skills

Objective 1.1

Student should be able to write well organized and grammatically correct businessreports and letters.

Objective 1.2

Student should be able to make effective oral presentations

Goal 2: Demonstrate problem solving and critical thinking skills

Objective 2.

Student should be able to demonstrate critical thinking skills by understanding the issues, evaluating alternatives on the basis of multiple perspectives and presenting a solution including conclusions and implications

Objective 2.2

Student should be to demonstrate problem solving skills by understanding and defining the problem, analyzing it and solving it by applying appropriate theories, tools andtechniques from various functional areas of management.

Goal 3: Develop ability to explain responsible leadership behavior in management

Objective 3.1

Student should be able to illustrate the role of responsible leadership in management.

Objective 3.2

Student should be able to identify social concerns and ethical issues in management.

Goal 4: Develop a global perspective in management

Objective 4.1

Student should be able to identify challenges faced by the organization at the global level.

Objective 4.2

Student should be able to take decisions in the global business environment.

Program Structure and Curriculum

The first three trimesters are essentially devoted to developing an understanding of basic concepts across different functional areas to provide an integrated learning experience to the students. This covers Core Compulsory courses across different functional areas of management. Core courses offered in the first year cover the following domains.

- Economics
- Finance
- Information Management/Analytics
- Marketing
- Organizational Behavior/Human Resources Management
- Operations Management/ Quantitative Techniques
- Strategy and General Management

The following courses are offered in the first year. The details of the core papers from PGDM are given in the following table:

Please note that for specialization purposes they are required to take at least 21 credits (sevenfull courses) in an area.

Two Year Full Time PGDM(HRM)

In a seamless environment that businesses operate in, it is increasingly being realized that people are key differentiators in enabling organizations to gain and maintain a competitive edge. It is thus imperative for organizations to attract, nurture, develop and retain such talent which will beresponsive to the demands of ever-changing technology, increased mobility and fast paced obsolescence. Human Resource (HR) professionals with an in-depth understanding of the fundamental issues of management and related disciplines and who bring an insight into perceptive people management are increasingly in demand. Organizations, Consulting houses, Government, Institutional bodies and Non-Governmental Organizations (NGOs) are continuously seeking the expertise of such skilled HR professionals to address present and emerging challenges of managing the diverse needs of a growing human talent pool.

Insights and perspectives into the dynamics of people management and their subsystems will be a pre-requisite for enabling HR professionals to contribute meaningfully to organizational development initiatives. Launched in 2006, the Post-Graduate Diploma in Human Resource Management PGDM (HRM) prepares a cadre of HR professionals equipped with appropriate values, perspective, and competencies to become catalysts of progressive change by developing and promoting a culture that is vibrant and focused on excellence. The program not only focusses on their soft skills but also emphasizes their analytical skills so that they are able to make informed people related decisions.

The program is approved by AICTE and accredited by NBA, Has MBA equivalence grantedby AIU and international accreditation by AMBA and SAQS.

Program Goals and Objectives

Goal 1: Demonstrate written and oral communication skills.

Objective 1.1

Students should be able to write well organized and grammatically correct business reportsand letters.

Objective 1.2

Students should be able to make effective oral presentations.

Goal 2: Demonstrate problem solving and critical thinking skills.

Objective 2.1

Student should be able to demonstrate critical thinking skills by understanding the issueswith a strong focus on Human Resources Management, evaluating alternatives based on multiple perspectives and presenting a solution including conclusions and implications.

Objective 2.2

Students should be to demonstrate problem solving skills by understanding and defining the problem particularly related to Human Resources Management, analyzing it and solving it by applying appropriate theories, tools and techniques.

Goal 3: Develop ability to explain responsible leadership behavior in management.

Objective 3.1

Students should be able to illustrate the role of responsible leadership in management.

Objective 3.2

Students should be able to identify social concerns and ethical issues in management.

Goal 4: Develop a global perspective in management.

Objective 4.1

Students should be able to identify challenges in Human Resources Management faced bythe organization at the global level.

Objective 4.2

Students should be able to take decisions in the global business environment with a specialfocus on Human Resources Management.

Program Structure and Curriculum For AY 2025-26 Batch 2024-26

The curriculum is designed with a holistic approach to human resource management. The course comprises 102 credits distributed among several compulsory and elective courses, and internships. Since the emphasis is to provide specialization in HRM, the effort has been made to provide a balanced package based on industry requirements. The table lists the details of core courses for PGDM(HRM). Also, the program includes 2 internships as Summer Internship program (3 credits) after term 3 and Internship with NGO in term 6 (2.25 credits).

Program Structure – PGDM (HRM) Batch 2024-26

Two Year Full Time PGDM-B&FS

The Program

Launched in 2014, the two year Post Graduate Diploma in Management (Banking & Financial Services) is designed to cater to the growing needs of management professionals for Banking andFinancial Services industry. The objective of the program is to develop high quality management professionals equipped with technical and managerial competency with a global mind set. Its focus is to develop holistic and integrative approach of management in Banking and Financial Services industry.

The program is approved by AICTE and accredited by NBA, Has MBA equivalence granted by AIU and international accreditation by AMBA and SAQS. The program is affiliated to the CFA institute due to which it adopts the best global practices in the financial services sector.

Program goals/ objectives

Goal 1: Demonstrate written and oral communication skills

Objective 1

Student should be able to write well organized and grammatically correct businessreports and letters.

Objective 2

Student should be able to make effective oral presentations

Goal 2: Demonstrate problem solving and critical thinking skills

Objective 1

Student should be able to demonstrate critical thinking skills by understanding the issues with a strong focus on banking and financial services, evaluating alternatives on the basis of multiple perspectives and presenting a solution including conclusionsand implications

Objective 2

Student should be to demonstrate problem solving skills by understanding and defining the problem related particularly to banking and financial services, analyzingit and solving it by applying appropriate theories, tools and techniques.

Goal 3: Develop ability to explain responsible leadership behavior in management

Objective 1

Student should be able to illustrate the role of responsible leadership in management.

Objective 2

Student should be able to identify social concerns and ethical issues in management.

Goal 4: Develop a global perspective in management

Objective 1

Students should be able to identify challenges faced by banks and financialinstitutions in the global business environment.

Objective 2

Student should be able to take decisions in the global business environment withspecial focus on banking and financial institutions.

Program Structure and Curriculum

The course for the PGDM (Banking & Financial Services) programme is spread over six trimesters; each trimester is of a duration of 11-12 weeks. The first three trimesters are devoted to foundation courses, in core areas of management. These are aimed at providing students a conceptual understanding of the functional management areas.

PGDM (18 Months)

OVERVIEW

It is the first-of-its-breed 18 months full time general management program that has been on offer from IMI since 1984 initially under the name of Post Graduate Program in International Management. The program is custom-designed for those professionals and middle level managers who would like to rapidly transit to leadership roles. Equally, it is a tailor-made program for grooming working executives who are identified to be 'high performers' by their respective organisations.

The program is for 18 months. There are five trimesters of approximately 3 months each. The first four trimesters are by way of classroom learning (along with industry engagement in different forms and styles) and in the last 2 trimester students are required to carry out an in-depth field project work in their chosen field of interest.

PROGRAM DURATION: 18 months (12 months course work followed by 6 months project work at place of employment)

Goals and objectives: 18 Month PGDM for Experienced Professionals Program goals/ objectives

Goal 1:Demonstrate critical thinking skills essential for strategic decision making Objective 1 Student should be able to demonstrate critical thinking skills to analyze managerial decision-making challenges

Objective 2 Student should be able to create a solution to managerial decision-making challenges while evaluating the same from multiple perspectives.

Goal 2: Develop ability to explain responsible leadership behavior in management Objective 1 Student should be able to illustrate the role of responsible leadership in management.

Objective 2 Student should be able to identify social concerns and ethical issues in management.

Goal 3: Develop a global perspective in management

Objective 1 Student should be able to identify challenges faced by the organization at the global level.

Objective 2 Student should be able to take decisions in the global business environment.

Goal 4: Demonstrate execution of acquired management knowledge in business situations Objective 1 Student should be able to identify business issues suitable for applying the acquired knowledge from management theory and practice.

Objective 2 Student should be able to develop an action plan to provide a solution to the business issues.

PGDM (18months) Program Structure and Curriculum

The program would have the state-of- the-art curriculum that reckons the current dynamics in management theory, practice and applications. In credit point equivalent terms, students would be pursuing 28 full credit courses (of 3 credit points each). In addition, during the last trimester, all students have to necessarily do a field project in their chosen area and submit a report to the institute. Successful completion of the project within the stipulated time is a prerequisite for obtaining the Post Graduate Diploma in Management.

Fellow Program in Management (FPM)

Program Overview

FPM is the doctoral program of the IMI Delhi. The program offering includes critical core courses, in-depth, research-based courses related to the scholar's domain of interest, individually pursued self-study courses, and, at its core, the scholar's individual area of interest, which ultimately leads to the thesis. The FPM scholars are expected to work closely with the faculty members of IMI Delhi in their areas of interest to further the existing repository of theory and practice in business management. The program accepts both full-time students and part-time students with an annual intake of 20 scholars.

The program is

- Approved by AICTE
- Has been awarded PhD equivalence from the Association of Indian Universities (AIU)

Program Objectives

Program goals/learning objectives for the Fellow Program are as follows

Learning Objective 1: Acquire knowledge in the area of specialization

- **Learning objective 1.1**: To gain knowledge in general management areas in order to develop a foundation for the area of specialization.
- **Learning objective 1.2**: To gain knowledge in specialized areas relevant to the research to be carried out.
- **Learning objective 1.3**: To develop ability to apply acquired knowledge in order to solve management problems.

Learning Objective 2: Acquire analytical and methodological skills required to conduct research

- **Learning objective 2.1**: To develop analytic skills in order to solve research problems.
- **Learning objective 2.2**: To develop methodological skills in order to solve research problems.

Learning Objective 3: Prepare the scholar to communicate effectively

- **Learning objective 3.1**: To be able to collate existing literature in the area of study and articulate research gaps.
- **Learning objective 3.2**: To be able to compose research output in the form of original and high-quality management research writings.
- **Learning objective 3.3**: To be able to articulate research output through presentations.

Areas of Specialization

The FPM scholars can specialize in any ONE of the following areas:

1. Economics & Business Environment
2. Finance & Accounting
3. Marketing
4. Organisational Behaviour & Human Resource Management
5. Operations Management & Quantitative Techniques
6. Strategy & General Management
7. Information Management & Business Analytics

Applicant Eligibility:

The applicant seeking admission to the FPM at IMI Delhi needs to fulfil the following eligibility criteria:

- Master's Degree or equivalent in Engineering and Technology/Management/Economics/Social Science/Biological Science/Pure Science/Commerce/Humanities with FIRST CLASS shall be considered for admission to the Fellow programme. Those appearing for their final examination in the respective discipline can also apply.

- Additional Criteria for selection for part-time students: The candidate should have completed a minimum of FIVE years of full-time relevant work experience as an academician or a corporate executive.

- SC, ST, OBC, PWD (Person with disability), EWS (Economically weaker section), Female Candidates and also those from rural and semi-urban backgrounds are encouraged to apply for the FPM program.

Admission process

1. **Admission form & indication of research interest**: The applicant needs to complete the FPM application form. The form must be accompanied by an abstract of 1000-1500 words about the proposed research area/topic. This may be broad-based at this juncture, but is critical for gauging the applicant's interest.

2. **Admission test**: the candidate must clear any of the following tests

    - Common Admission Test (CAT) held by the IIMs.

    - Additionally, in case the candidate has a valid GMAT/GRE/XAT/NET/GATE/NMAT score; he/she would also be eligible.

    - **Please note**: The CAT/XAT/GMAT/GRE/NET/GATE/NMAT exam must have been taken on or after 01 January 2021, and will be considered valid for admission to the session of 2026.

    OR

    - **IMI Research Aptitude test**: In the event the applicant has not appeared for any of the above exams, the Institute also considers candidates who appear for the IMI Research Aptitude Test.

    - NRIs and foreign candidates, are also required to have a valid CAT/GMAT/GRE/XAT/NET/GATE/NMAT score or appear for the IMI Research Aptitude Test.

3. **Admission Interview**: Based on the:

    - Research abstract
    - Scores obtained in CAT/GMAT/GRE/XAT/NET or the IMI Research Aptitude Test.
    - Evaluation of past academic performance and
    - Relevant work experience (for Part-time students only)

    The eligible candidates are invited for the final Admission Interview round and the final selection/merit list is prepared based on the above process.

    Fee Waivers & Other Financial Support:

FPM Full-time [FT] students: The participants are awarded the following waivers and financial support

1. **Tuition fee:** 100% waiver of fee throughout the duration of program
2. **Learning Resource fee:** 100% waiver throughout the duration of program
3. **Stipend:** Eligible candidates will be awarded a stipend of INR 65,000/- per month. This stipend would be valid for four years from the date of joining the program.
4. **Accommodation:** FPM [FT] scholars can request hostel accommodation (subject to availability). Mess charges are chargeable as per the prevailing mess charges (on actuals).
5. **Contingency Grant**: The scholars would be eligible for a handsome total contingency grant of INR 90,000(@ 30000/- per annum). The grant would be available after the successful completion of the comprehensive examination. This grant may be used to cover incidental expenses like data collection, stationery, hardware/software and others.
6. **Conference support:** The institute also provides a cumulative grant of INR 1,50,000/- for presenting research papers at domestic and international conferences. The conference needs to fulfil the conference norms as laid down by the institute and is provided after the successful completion of the comprehensive examination.
7. **Additional conference support linked to research output**: The scholar who publishes in superior quality Peer Reviewed Journals will get an additional conference support grant of INR 2,00,000/- for every such Peer Reviewed Journal publication (granted after the Final acceptance of the publication has been obtained).

    Please note: Superior quality is as determined by IMI Delhi journal quality categorization standards. This is a quality categorization that is significantly superior to the minimum quality categorization required to complete degree requirements. The Paper must be co-authored with an IMI Delhi faculty member, and the scholar must ensure the publication is submitted with the IMI Delhi affiliation.

FPM Part-time students (academicians): The participants are awarded the following waivers:

1. **Tuition fee:** 50% waiver of fee throughout the duration of the program
2. **Learning Resource fee:** 50% waiver throughout the duration of the program

FPM Part-time students (Corporate executives): The participants must pay the full fee, and no waivers or financial support are provided.

FPM Program Structure & Other Details

The FPM scholar (both full-time and part-time) is required to successfully complete two types of courses, in a duration of ONE YEAR:

PGDM courses: The FPM scholar will need to accumulate certain credits from PGDM management domain courses as recommended by their thesis supervisor/mentor.

FPM courses: The major learning for the FPM scholar will come from the FPM specific courses. The coursework is spread over one year and completed in four trimesters. These courses include a mix of CORE compulsory courses, AREA compulsory and elective courses.

Evaluations & promotions: For completion of the FPM Course work, an average of 60% or a B- grade is required for passing the FPM and PGDM courses.

Comprehensive examination: On successful completion of the mandatory courses, all FPM scholars would need to successfully clear a Comprehensive Examination- both Written and Oral.

Thesis Preparation and Submission:

Research proposal formulation and defense: On the successful completion of comprehensive examination, the candidate is required to form a Thesis Advisory Committee (TAC) for guidance towards the final thesis. Under the guidance of TAC, the student would be required to develop a research proposal and defend it in an open forum comprising the IMI Delhi faculty and other doctoral students. Post this, the scholar is to be working under the guidance of the TAC towards completion of his/her thesis work.

Thesis submission and defense: Thereafter, on completion of the proposed research as well as the mandatory publication requirements of the thesis submission, the candidate would inform the Chair, Research & FPM of the same. Chair, Research & FPM, in consultation with TAC would recommend a Thesis Evaluation Committee (TEC) for the evaluation of the research work. The candidate would then be required to present a public seminar on the research findings. The candidate would be then evaluated by the TEC in an oral defense. After successfully defending the final thesis, the candidate is awarded the title of **"Fellow of the IMI Delhi".**

Program Duration

All FPM scholars are expected to complete the program within **FOUR years**.

STUDENT AND FACULTY EXCHANGE PROGRAMMES

IMI Delhi continues to strive towards its vision of being a premier global management school. At IMI Delhi, we continuously strive to strengthen our international linkages with premier global business schools in areas such as student and faculty exchanges, joint research, executive education, and more.

International Academic Linkages

IMI is India's first corporate-sponsored Business School, founded in 1981 with the original campus in New Delhi. The corporate sponsors included RPG Enterprises (lead sponsor), ITC, Nestle, Tata Chemicals, British Oxygen, SAIL, and Williamson Magor. It was set up in collaboration with the then IMI Geneva, now IMD Lausanne. It is accredited by the UK-based Association of MBAs (AMBA) and the US-based Association to Advance Collegiate Schools of Business (AACSB), which are amongst the top three international accreditation bodies for Business Schools globally.

IMI actively seeks collaborations with global business schools across different geographies for joint research, executive training, faculty and student exchange programs. Several international delegations, including the Vice Chancellor, Deans, and Directors of various International Universities and Global Business Schools, have visited IMI in the academic year 2025-2026 to explore possibilities for collaboration in areas such as student and faculty exchange, joint research, and executive education. Talks are currently in progress with other international business schools. Also, discussions are underway to take the existing agreements to the next level of collaborative research, faculty exchange, and consulting. For example, we have signed new partnership agreements with ISM, Germany.

At present, IMI has sixteen active academic collaborations for Student and faculty exchanges as well as research collaborations. The details of these collaborations are listed in the Table given below:

International Academic Collaborations

S. No.	*Partner School*	***Exchange With***
1	Academy of Public Administration underthe aegis of President of the Republic of Belarus	• Student Exchange. • Exchange of Faculty Members • Joint Research Programmes

22	Farabi International School, Kazakhstan	• Student Exchange • Exchange of Faculty Members • Joint Research Programmes

Student Exchange

At IMI Delhi, management teaching and research strongly emphasise global management issues and practices. This ensures a robust exchange platform for our students seeking global careers and for faculty engaged in joint research on issues of global significance. The exchange program is based on the mutual consent of the partner institutes and the students. The students have to pay for travel, food, and accommodation. Such facilities are available to students in IMI Delhi and other international business schools on a reciprocal basis. The tables below list the incoming students enrolled in the exchange program (2010- 2026). And the list of outgoing students for the exchange program (2010-2026).

111	Dr. Rod Bain	Director of UG Programmes	Stirling Management School, University of Stirling, UK	October 10,2025

7. Faculty

IMI Delhi introduced a faculty performance and evaluation policy in 2012. It has recently been revised, dated August 01, 2026, with the name of Faculty Performance Management System (PMS).

We have 54 full-time faculty members adequate for our teaching requirements. In addition, these resources are complemented by various visiting faculty.

Of the 54 full-time faculty members, 53 faculty members have a doctoral qualification from reputed academic institutions. This includes international universities such as Connecticut USA, London School of Economics, etc. and Indian institutions such as IIM Ahmedabad, IIM Bangalore, IIM Lucknow, IIM Indore, IIM Kozhikode, IIM Calcutta, IIT Delhi, IIT Roorkee, IGIDR, J.C. Bose University of Science & Technology, IIFT and FMS Delhi, etc. Almost an equal percentage has industrial exposure too. A crucial aspect of classroom instruction at IMI is that it leverages the engagement of the faculty research, other intellectual output and outreach. To provide a varied experience to students in the classroom, IMI also regularly invites professors from leading business schools in India and abroad, practitioners from industry and government to teach courses in all its programmes. These faculty resources efficiently complement IMIs own resources and 'add value' to the student experience through diverse learning processes.

IMI derives strength from its faculty and unparalleled work environment. IMI therefore, continues to attract the best talent both from India and abroad. This in turn makes the Institute the best place for students to study because there are not many Institutes in India where comparable transformation and value addition takes place. IMI enjoys an equal relationship with all its exchange partners in Europe and Asia. It is sought by business schools in the US for developing links for student and faculty exchange.

Faculty members are expected to earn:

1) Assistant Professor Minimum total points: 150 (120 for fresh PhDs with no prior teaching experience for two years, 150 thereafter) subject to the following constraints: Minimum points from teaching and service: 90 (60 for fresh PhDs for two years, 90 thereafter) Minimum points from intellectual capital: 30

2) Associate Professor (Research Track) Minimum total points: 180 subject to the following constraints: Minimum points from teaching and service: 120 Minimum points from intellectual capital: 30

3) Associate Professor (Practice Track) Minimum total points: 180 subject to the following constraints: Minimum points from teaching and service: 120 Minimum points from outreach: 30

4) Professor (Research Track) Minimum total points: 210 subject to the following constraints: Minimum points from teaching and service: 120 Minimum points from intellectual capital: 60

5) Professor (Practice Track) Minimum total points: 210 subject to the following constraints: Minimum points from teaching and service: 120 Minimum points from outreach: 60

It is recommended that the faculty should engage in research publications and conduct executive development programmes. Consultancy assignments and engagements with companies are treated as additional workload and faculty is permitted a share of that revenue. A maximum of 52 days is permitted for such consultancy in one year.

RESEARCH

IMI Delhi is recognized among academicians and practitioners for its intellectual capital. A key contributor to this recognition is the consistent philosophy that research is the essence of academic life at IMI. The research-focused culture has been developed over the years and strengthened through new perspectives and initiatives that the school continually adopts to sustain and enhance it. Research at IMI Delhi is aimed at both theoretical (building, improving, and modifying management frameworks) and practical (addressing the strategic and tactical needs of leading corporate houses and government bodies) research. This goes full circle, as the researched knowledge enriches participant learning in both classroom learning across its academic programs and executive training at IMI Delhi. The dedication to making research a way of life led to the creation of a rigorous and well-structured Fellow Program in Management (doctoral program) in 2011. Twenty-three scholars have successfully completed the program and now serve as academicians at reputed schools in India and abroad or as professionals in the corporate sector.

True to its philosophy of being a research-led school, the research culture is enabled by its state-of-the-art library, e-books such as EBSCO-eBooks Business Collection, Pearson eBooks, Springer eBooks, Business News and Magazines such as ET Prime, FT.com and online databases such as Business Source Ultimate (EBESCO), Emerald eJournals Premier Collection, JSTOR India Core Collection, SAGE Journals, ScienceDirect, ACE Equity, Bloomberg (Lab), Coursera, CRISIL Industry Plus, Economic Outlook (CMIE), EPWRF India Time Series, Euromonitor International- Passport, Harvard Business Publishing, Indiastat.com, The Ken, Prowess on Web [CMIE], Scopus, States of India [CMIE], Statista Campus, Turnitin, Web of Science etc. are also available.

The research repository of IMI Delhi faculty is rich, varied, and constantly growing, ranging from research-based books, textbooks, peer-reviewed journal articles, conference papers, case studies, book chapters, and management articles in Business newspapers and magazines. These publications, in reputed national and international outlets, are widely cited for their originality of thought and methodology. The institute also disseminates management thought and practice through its reputed management journal- Global Business Review (http://journals.sagepub.com/home/gbr)

GLOBAL BUSINESS REVIEW – IMI JOURNAL

IMI's internationally renowned, bi-monthly journal, Global Business Review (GBR), serves as a forum for sharing the latest management and business practices and research worldwide, with an emphasis on emerging economies. It publishes multidisciplinary, interdisciplinary, and internationally significant articles, aiming to attract scholarships relevant to corporations and other institutions for their overall development. GBR also features articles offering practical insights on doing business in

India/Asia from local and global, as well as micro and macro perspectives. It is indexed in the Web of Science (WoS) and Scopus. It publishes empirical, conceptual, and methodological research across the full spectrum of business and management disciplines, including core functions, strategy, ethics, technology, and research methods. The journal is published by SAGE Publications and hosted on ScholarOne Manuscripts (formerly Manuscript Central), a web-based submission and peer review system, and is a member of the Committee on Publication Ethics (COPE).
Submission Site: https://mc.manuscriptcentral.com/gbr
Website: https://journals.sagepub.com/home/GBR
Editorial Office: globalbusinessreview@imi.edu

In recent years, there has been a significant increase in publications within the domains of Environmental, Social, and Governance (ESG), the Sustainable Development Goals (SDGs), sustainability, and the adoption of artificial intelligence (including generative AI, agentic AI, and human–AI collaboration) in sustainable management practices, performance evaluation, and algorithmic management. This trend reflects *Global Business Review's* strong priority and commitment to promoting high-quality research in these areas.
Global Business Review welcomes contributions in the form of original research articles, review articles, short communications, and research notes, and regularly announces special themed issues on contemporary topics of interest. The journal operates a double-anonymized peer review process, with manuscripts evaluated by esteemed academics and professionals from around the world.

Indexed in Scopus and Web of Science
Abdc (2025): B

List of Faculty Members

IMI enjoys a large pool of qualified faculty members. Across many rankings, it has been ranked very high in terms of its faculty resources.

S. No.	Name of Faculty	Unique ID	Degree (Highest)	University	Date of Birth	Teaching (as on October 31, 2026 in Months)	Industry (as on October 31, 2026 in Months)	Current Designation	Date of Joining	Specialization	Additional Remarks (not associated with IMI Delhi)

Hostel Fees & Mess Charges

IMI Delhi offers limited on-campus hostel accommodation to students. All hostel rooms are fully air-conditioned. Hostel accommodation is made available on a first-come-first-served basis and at the discretion of the Institute.

Students admitted to the two-year PGDM programmes who receive on-campus accommodation will need to add Hostel Fees as per the room allotted to them along with the Mess Fee.

Due date of Fee Deposit		
Academic Year 2024-25	1st Instalment + Hostel & Mess Fee (1st Year)	As per the due date in the offer letter

Tuition Fee Waiver (TFW) Scheme

As per AICTE guidelines, IMI Delhi will accord waiver of the tuition fee component of the academic fees to a limited number of eligible candidates. Eligible candidates are those students whose total family income is less than INR 8 lakhs per annum in the financial year immediately preceding the year of admission, as certified by an authorised government signatory.

The decision on the waiver of tuition fees will be taken within a month of the beginning of the first term of classes from among the eligible students in the admitted class. The selection will be based on merit in the admission process of IMI Delhi. The decision on the number of students to be given the tuition fee waiver will be the sole discretion of IMI Delhi, which will be final and binding on all.

(II) Fellow Programs in Management (FPM)

The program fee structure and the waivers and scholarships available for different scholar categories are as follows:

FPM Fee Structure (2025-2029)

Cost Heads	**1st Year**	**2nd Year**	**3rd Year**	**4th Year**	**Total**
Admission/Registration	50,000	0	0	0	50,000
Tuition fees	0	0	0	0	0
Learning Resources (books, e resources, software etc.)	0	0	0	0	0
Alumni fees	15,000	0	0	0	15,000
Security deposit (refundable)	25,000	0	0	0	25,000
Total (Four years)	**90,000**	**0**	**0**	**0**	**90,000**

Fee Waivers & Other Financial Support: FPM Full-Time [FT] Students

The participants are awarded the following waivers and financial support:

- Tuition fee: 100% waiver of fee throughout the duration of the program.
- Learning Resource fee: 100% waiver throughout the duration of the program.
- Stipend: Eligible candidates will be awarded a stipend of INR 65,000/- per month, valid for four years from the date of joining.
- Accommodation: FPM [FT] scholars can request hostel accommodation, subject to availability, provided free of cost. Mess charges are chargeable as per prevailing rates.
- Contingency Grant: A total contingency grant of INR 90,000 (@ INR 30,000/- per annum), available after successful completion of the comprehensive examination.
- Conference Support: A cumulative grant of INR 1,50,000/- for presenting research papers at domestic and international conferences (after successful completion of the comprehensive examination).
- Additional Conference Support Linked to Research Output: Scholars publishing in superior-quality Peer Reviewed Journals will receive an additional grant of INR 2,00,000/- per such publication (granted after final acceptance).

Note: Superior quality is as determined by IMI New Delhi journal quality categorization standards. The paper must be co-authored with an IMI New Delhi faculty member and submitted with the IMI New Delhi affiliation.

FPM Part-Time Students (Academicians)

- Tuition fee: 50% waiver throughout the duration of the program.
- Learning Resource fee: 50% waiver throughout the duration of the program.

10. Admission

Program	Year of Inception	Duration	Approved Intake	Fees (2026-28 Batch)
PGDM	1993	24 months	300	₹22,00,000 (Self-sponsored) ₹34,55,276 (Company-sponsored)
PGDM-HR	2006	24 months	60	₹22,00,000 (Self-sponsored) ₹34,55,276(Company-sponsored)
PGDM-BFS	2014	24 months	60	₹22,00,000 (Self-sponsored) ₹34,55,276(Company-sponsored)
PGDM (Online)	2024	24 months	300	₹2,95,000
FPM	2011	48 months	20	₹90,000

11. Admission Procedure

IMI's admission process follows a rigorous and holistic approach based on the candidate's overall profile — both academic and professional — as well as entrance test scores (CAT / GMAT / XAT).

How to Apply

- Application form is available at https://admission.imi.edu/delhi/
- Users should create a new account while applying online. Login details will be used for filling the admission form and checking application status.
- After logging in successfully, the admission form will be displayed.

- Applicants should complete the online application form and submit it along with the non-refundable application processing fee.
- Applications, completed in all respects, should be submitted online by the specified deadline. Incomplete forms are liable to be rejected.
- Applicants are strongly recommended to provide their complete postal address and an active email ID for receiving important communications.

Application Fee

- Application processing fee for IMI New Delhi for the first program is ₹2,000/.
- The admission fee can be paid through Credit Card / Debit Card / Net Banking through the designated payment gateway.

Admission Process – Admission Test

CAT

- Admission to the programs is through the Common Admission Test (CAT) conducted by IIM Ahmedabad at different centres across the country.
- IIMs have no role either in the selection process or in the conduct of the program.

GMAT

- Candidates with Foreign Nationality are also eligible based on their GMAT scores, provided the GMAT test was taken not earlier than January 2021 and not later than January 2026.
- Candidates will be required to furnish their GMAT scores while applying and provide a self-attested copy of the GMAT score sheet to the Admissions Office for verification at the time of personal interview.
- Candidates appearing for GMAT or without a GMAT score while applying can enter numeric '0' in the GMAT score field and should email their scorecard immediately after the test to admissions@imi.edu. GMAT scores without the above document will not be accepted and the application may be summarily rejected.

XAT

- Admission to the programs is through the Xavier Aptitude Test (XAT) conducted by XLRI, Jamshedpur at different centres across the country.
- XLRI has no role either in the selection process or in the conduct of the program.

Selection Process

Candidates who apply online for admission into PGDM / PGDM (HRM) / PGDM (B&FS) will be shortlisted on the basis of Academic Records, CAT / XAT / GMAT Test Scores, Work Experience, and other relevant parameters. Shortlisted candidates will be called for a Personal Assessment Process comprising Extempore and Personal Interview.

Applicants should note that mere fulfillment of minimum eligibility criteria may not ensure consideration for shortlisting by IMI Delhi. IMI Delhi will not entertain any correspondence on this subject; decisions of the IMI Delhi Admissions Committee will be final in all matters.

Shortlisting Criteria

Candidates who have appeared for the CAT / XAT / GMAT examination and applied to IMI New Delhi will be shortlisted on the basis of: application form information, CAT / XAT or GMAT score, educational background, marks in 10th, 12th, graduation, and work experience, if any. Only shortlisted candidates will be called for the final stage of the selection process.

Company-Sponsored Candidates

- IMI New Delhi accepts applications from Corporate Sponsored candidates within the approved strength of the program. These candidates will also be assessed as per the selection process described above.
- Candidates being sponsored by their respective companies must submit a sponsorship letter from the organization and undertake to pay all fees and dues during the complete duration of the program. This letter/undertaking will be required at the time of acceptance of the admission offer.
- Candidates sponsored by their organization will not be eligible to receive any placement assistance from the Institute's Placement Cell.
- The fee structure for such candidates is given separately along with the fee structure for general candidates.

Withdrawal and Refund Policy

As per AICTE rules, in the event of an applicant withdrawing before the starting of the program, the wait-listed candidates would be given admission against the vacant seat. In such a case, the entire fee collected from the student, after a deduction of the processing fee of ₹1,000/- (Rupees one thousand only), shall be refunded and returned to the withdrawing candidate.

Should a student leave the program after commencement and if the seat consequently falling vacant is not filled by another candidate, only the refundable components of fee shall be returned to the candidate. However, a student withdrawing from a program up to the specified date, irrespective of whether the seat fallen vacant is filled by a wait-listed candidate, the entire fee collected after deduction of ₹1,000/- will be refunded.

12. Criteria and Weightages for Admission (2025-27) batch

The following criteria will be used for final selection:

Parameter	Maximum Marks
CAT / GMAT / XAT	35
Personal Assessment	30
Diversity	5
Work Experience	15
Academics	15
Total	**100**

Following criteria was used for assessing the candidate at the time of Personal Assessment (PA):

Parameters	Maximum Marks
Behaviour and Attitude	6
Extempore	3

Verbal Communication	3
Current Affairs	6
Subject Knowledge	8
Co-Curricular / Extra-Curricular Score	4
Total	**30**

13. List of Applicants

- List of candidates whose applications have been received, along with percentile/percentage score for each qualifying examination in separate categories for open seats. -

  Total 15,119 applications received along with percentile/percentage score.
- List of candidates who have applied along with percentage and percentile score for Management Quota seats (merit-wise) — **N.A.**

14. Results of Admission under Management Seats / Vacant Seats

- Composition of selection team for admission under Management Quota — N.A.
- List of candidates who have been offered admission — N.A.

  "Vacant seat(s) are fulfilled by calling next waitlist candidates."
- Waiting list of the candidate in order of merit, operative from the last date of joining of the first list candidate: Waiting list is dynamic and is created on an ongoing basis depending on the number of students who accept offers and withdraw after offer acceptance.

15. Information of Infrastructure and Other Resources Available

The aesthetically designed IMI Delhi's campus offers a stimulating atmosphere, conducive to all round development of a student and also facilitates fervid cross - functional learning.

CLASSROOMS

The campus is equipped with the newest technology classrooms (total number – 14) to ensure that the students receive a world class environment to harness their capabilities. All lecture halls have access to latest presentation equipment such as Interactive Panel, Laptop Notebook Computers, Electronic Copy Boards, OHP Projectors, Internet and Intranet Connectivity and a State-of-the-Art Sound System providing for a unique/wholesome complete classroom experience.

RPG AUDITORIUM

The state-of-the-art auditorium provides a centre stage for conducting guest lectures, speaker sessions, events and batch-meets with a sitting capacity for the whole batch. The auditorium has been completely revamped with state-of-the art technological devices as well as a new look, including soft furnishing and chairs and tables. Additionally, the Institute now has three conference rooms for conducting meetings with internal and external stakeholders.

COMPUTER CENTER

IMI, New Delhi, is equipped with a premier computing facility that sets a high standard for student engagement and learning. The Tata Chemicals Computer Centre operates with five HP servers running the latest Windows Server operating systems. Our campus features robust networking and is all Wi-Fi enabled, ensuring seamless

connectivity in every corner, from hostel rooms to the amphitheater and canteen. With 1 Gbps high-speed internet available 24/7, students remain connected at all times.

We take pride in our two high-tech computer labs, which have 136 HP desktop computers tailored for online classes and practice sessions. We provide high-speed laser and color laser printers to accommodate all printing needs. Our software library boasts the latest and most essential applications, including Windows 11, Windows 10, Office 365, SmartPLS, Nvivo, EViews 14, Visual Studio, MS Project, SPSS, MSDN Academic License, CrowdStrike Antivirus, SAP, CorelDRAW, and Adobe Creative Cloud. The entire IMI New Delhi campus is fully Wi-Fi enabled, utilizing Ruckus Indoor and Outdoor Access Points and the Ruckus Wi-Fi Zone Controller 3000 Series. Our network is fortified with Sophos application-based firewall technology, providing reliable security.

The IMI Campus network is protected with Sophos XGS4300 – A hardware-based firewall with fallback technology. Every classroom has 86-inch Brio touch interactive flat panels, setting the stage for a dynamic teaching environment. Moreover, the Sennheiser sound system with digital signal processing, ceiling microphones, and high-resolution cameras ensures that our online classes thrive in hybrid mode. Three Konica centralized printing systems with enhanced security features are strategically placed throughout the campus for easy access. Our online assessment software is integral to our network, allowing for efficient grading, feedback, quizzes, and attendance tracking. Faculty, staff, and students are given personalized login IDs to monitor student performance, with full access to network-based software access from anywhere. We empower our faculty members with HP laptops and LaserJet printers, enabling them to deliver their best. All research associates, secretaries, library, accounting, and administrative staff utilize the latest HP personal computers.

IMI offers a comprehensive web interface accessible at http://www.imi.edu/ and an intranet for internal users to enhance communication and workflow.

Total Nos. of Computers (HP)	275 Computers (including Servers, Desktops & Laptops)
Computer Lab	Two modern labs featuring 136 desktop computers, heavy-duty color laser printers, scanners, and photocopiers.
Smart Rack System	Our server room is equipped with Rittal smart rack technology, including AC, UPS, and power switches with fire detection and suppression technology.
Type of Internet connection	Leased lines from Tata and Sify Technologies.
Internet Connection Speed & ratio	1100 MBPS with a 1:1 ratio.
Campus Wi-Fi	The IMI campus is entirely Wi-Fi enabled, featuring 125 Nos. Ruckus Indoor and Outdoor Access Points and a Ruckus Wi-Fi Zone Controller
Learning Management System (LMS)	Student ERP (Online Learning & Teaching), IMI Website, Intranet, Online Admission Admission: https://admission.imi.edu/delhi IMI Website: https://www.imi.edu/delhi LMS : https://online.imi.edu/studentweb
Microsoft Software License	We are enrolled in the Microsoft Campus Agreement Program
Security & Firewall	Our infrastructure includes a Sophos firewall with fallback internet capabilities for airtight security.
Crowd Strike Anti-Virus	Falcon Pro successfully deployed on all Computers (275 Nos.)
Plagiarism checker	Turnitin is implemented for rigorous plagiarism detection
Classroom Interactive Technology	Every classroom features an 86-inch Brio touch interactive flat panel for an engaging learning experience. (Total Nos 19)
Face Attendance Device	A face attendance device is employed in all classrooms to monitor student attendance accurately. (Total Nos. 14)
Wacom Device	Each faculty member is equipped with a Wacom device, which allows them to simulate traditional writing on the board and enhance their direct engagement with students. (Total Nos. 25)
Zoom Pro License	We have invested in an ample number of Zoom licenses for high-quality meetings and webinars. (Totol Nos. 27)

Sennheiser Sound & AV system	Our classrooms are equipped with a Sennheiser sound system featuring DSP, ceiling microphones, and high-resolution cameras to facilitate effective hybrid learning (Total Nos. 14)
Centralized Printing System	Three Konica centralized printing systems are strategically installed around the IMI campus, complete with security features.
ZOHO Manage Engine	Centralized services are deployed on all computers to streamline operations. (Total No. 275)
Student Access Control	Access control systems are implemented at all entry and exit points to ensure campus safety. (Total Nos. 5)
Surveillance System	Our campus is comprehensively monitored through a surveillance system featuring CCTV cameras positioned at all entry and exit points, corridors, and classrooms with 30 days of backup. (Total Nos. 192 CCTV cameras and 8 Nos. NVR for recording)
UPS System	We have Online UPS systems in all classrooms, server rooms, networking racks, and desktop computers. (Total Nos. 25)

TECHNOLOGY INTERVENTION

- Turnitin for Plagiarism

- OLT ERP for student Quiz, Grading, and Attendance
- Face Attendance System
- Wi-Fi
- Firewall
- Intranet
- Video Conferencing
- Centralize Printing
- Zoom – for Online Classes
- Mercer-Mettl- for Online Exams
- Hybrid Classrooms (using Sennheiser Ceiling Mic, Xilica and Audac)
- An 86-inch Bio Interactive touch panel is installed in each classroom for teaching.

LIBRARY & INFORMATION SERVICES

The Williamson Magor Library (WML) offers access to a wide range of both printed and electronic sources with an increasing emphasis on electronic delivery of information to users. The library supports the diverse information needs of students, faculty, researchers, and staff through the provision of high-quality Information resources and services. The library is fully automated, and RFID enabled. The library has a stock of about 56,000 books which includes 30027 printed books and remaining in form of e-books covering not only all aspects of business and management, but also related areas such as economics, accounting, finance, the behavioural sciences and information technology. The library also hosts a substantial collection of reference books.

The library subscribes to 132 print journals and magazines. A big number of journals, approximately 10,000 in number, are available through its five full text journal subscriptions (EBSCO, Emerald, Science Direct, Sage and JSTOR). These resources play a vital role in supporting academic research. Several daily and weekly newspapers from different parts of India and abroad are subscribed by the library. Further, the library offers access to several **Data E Resources** enlisted below:

ACE Equity	**Corporate database providing latest/historical, financial, and non-financial information on listed & unlisted companies in India.**	• **Company and financial data** • **IPO/stock market data** • **Socio-economic indicators**
CRISIL Industry Plus	CRISIL industry research covers 86 sectors and is known for its rich insights and perspectives. It includes industry, production, imports-exports, domestic and international prices etc.	• Industry data
Economic Outlook (CMIE)	It covers 3.3 time series data which includes both official and exclusive data on Indian Economy, Analysis, forecasts and more than 80k source documents at one place.	• Socio-economic Indicators • India centric content
EPWRF India Time Series	EPWRF provides time series data on financial markets, banking statistics, domestic product of states of India, price indices, agricultural statistics, power sector, industrial production, etc.	• Socio-economic Indicators • India centric content
Euromonitor International- Passport	It provides a complete view of the global industry and economic landscape in more than 200 countries and 1150 cities, with actionable insight.	• Industry data- global • Company data
Indiastat.com	It provides socio-economic statistical data and useful information on India.	• India centric content • Socio-economic indicators
Grammarly	Grammarly is a writing assistant used for checking and improving written text by Real-time Corrections	• Real-time Corrections • •Tone & Clarity Enhancements • Plagiarism Detection

	correcting grammar, spelling, and punctuation errors. It also helps with clarity, tone, style, and word choice, and offers features like plagiarism detection and sentence rephrasing.	
The Ken	Offers sharp, original, analytical, and unbiased stories that deconstruct the most exciting shifts in businesses and startups across India and Asia.	• Fintech & Finance. • Retail and E-commerce. • Indian stock market
CMIE Prowess	Covers 55k companies which includes all Indian listed companies and 49k unlisted and private limited companies. It also provides charting tools and well-formatted reports on performances of companies.	• Company and Financial data • India centric content • IPO/Stock Market Data • Mergers and acquisitions
CMIE States of India	Compilation of economic, financial and social data and documents primarily pertaining to all 36 states and union territories in India, it covers 85 mn time series data on States and districts of India.	• Socio-economic data • State-wise statistics • Analysis section • Research support
Statista Campus	Offers statistics, consumer survey results and industry studies from over 22500 sources on over 60000 topics on the internet's leading statistics database.	• Industry & market reports • Market & company insights • Consumer insights

These data resources are widely used by students for assignments, projects, interview preparation etc and very well used by the faculty.

The access to all e resources is available on campus as well as remotely through its **Digital Library** platform. The digital library is hosted on web and is available 24X7.

https://imi.knimbus.com/portal/v2/default/home

The library's **online public access catalogue** is hosted on web. It gives real time information on the books available in the library.

https://opacimidelhi.ltsinformatics.com/

The finance lab in the library hosts **8 Bloomberg terminals**. These terminals offer real time data as diverse as equities, currencies, commodities, money markets, government and municipal securities, mortgages, indices, insurance, and legal information.

Library offers access to two renowned **research tools**, Scopus and Web of Science to all its students and faculty. These resources carry expertly curated abstract and citation database with enriched data and linked scholarly literature across a wide variety of disciplines.

ET Primes and FT are the two popular **News Portal** offered by the library for business intelligence on the web and are essential source for news, comment, market information, data, and analysis.
The library uses the latest version of Library Management Software **Koha** for managing its collection. The **RFID** deployed in the library adds on to the security and accessibility features of the library.

Apart from Circulation and Reference services, library also offers several **proactive services** to staff and faculty which includes Daily News, TOC Alerts, Content Pages, New Arrivals. It also offers research help, inter-library loan services and hosts several orientation sessions throughout the academic year to help students make the best use of library resources.

HOSTEL

The modern aesthetically designed residence at IMI forms an integral part of academic and social life. Rooms are furnished and allotted on a double occupancy basis. Preference is given to outstation or foreign students on a first-come-first-served basis.

Besides promoting group study and learning outside the classroom, the residential all rooms AC. Internet connectivity is available in all the hostel rooms.

MESS FACILITY

The campus provides students with excellent mess facilities which serve healthy and nutritious food to the students. IMI has a spacious and hygienic mess that provides a wide range of food options for the students, faculty, and staff. The mess serves breakfast, lunch, and dinner options. It also offers a variety of snacks, beverages, and desserts. The seating arrangement is comfortable and provides a perfect ambiance for the students to relax and socialize during breaks.

SPORTS FACILITY

The Sports Club at IMI Delhi works with a vision to inculcate a healthy and competitive sporting spirit in the students amidst intensive academic rigor. In this endeavor, it organizes numerous intra-college events round the year, facilitates participation of students in sports festivals at the management collegiate level and undertakes the responsibility for maintenance of sporting facilities within the college.

The major intra-college events of the club include Spardha – the year-round multisport intra-sectional tournament which is its flagship event and Premier League – the multisport tournament based on IPL. Alongside other activities, the club regularly conducts matches for students, staff and faculty members. Additionally, it organizes events during Independence Day week, Republic Day and "Kritva" – the annual cultural fest at IMI.

Indoor Sports Facilities	**Outdoor Sports Facilities**
• GYM, • Snooker, • Table tennis, • Chess, • Carrom board.	• Basketball • Volleyball

MEDICAL FACILITY

IMI have tie ups with hospitals like Sitaram Bharti which are nearby the institute to take care of any emergency. A registered medical practitioner is available on four days a week at the campus. For major illnesses, students are advised to visit nearby Hospitals, located close to campus. Medical facilities and first aid kit are available 24 X 7 at campus for the safety and concern of its students.

All students are covered under medical insurance for any emergency and exigency. Employees are covered by comprehensive Top-up Medical Insurance to meet all kinds of exigencies.

STUDENT COUNSELLING AND WELLBEING

- If a student faces any issue related to mental wellbeing and academic stress, he/she can approach the faculty counselor of the institute Prof. Swati Dhir (swati.dhir@imi.edu) or Prof. Rajeev Anantaram (ranantaram@imi.edu).

- The students can also approach the professional counselling services of 'YourDOST' facilitated by the institute for any kind of stress or mental health issues. YourDOST is an online counselling and emotional support service. The students can access YourDOST at all times and can avail counselling from pre-vetted experts (Psychologists, counsellors, career coaches, life coaches). Tele counselling services are also available at a helpline number. The students can visit https://yourdost.com/ and make their own account for counselling services when needed. All the communication with YourDOST team remains very confidential.
