Prof. Amit Sareen
Director, IMI Bhubaneswar

DIRECTOR'S MESSAGE

Established in 2011 by the RP - Sanjiv Goenka Group, IMI Bhubaneswar is a distinctive premier higher education management institute with a bustling 16-acre lush-green campus that reflects the vibrancy of IMI Bhubaneswar's campus community. With the principal purpose of tailoring students to be corporate and real-world ready, IMI Bhubaneswar delivers program curriculum aligned with industry requirements. In line with its vision, IMI Bhubaneswar has excelled in its focus on academic programs, executive education, research across diversified management disciplines, and supporting entrepreneurial pursuits. From social science subjects to the critically topical domain of Artificial Intelligence, IMI Bhubaneswar provides cutting edge business education to its students.

This year marks a defining milestone in our journey. With the introduction of our reimagined PGDM curriculum under the One IMI framework, our Delhi, Bhubaneswar, and Kolkata campuses are now united by a common academic vision. Built in collaboration with industry leaders, global experts, and a leading management consulting firm, the curriculum integrates specialised career tracks, AI and ESG, experiential learning, and industry immersion to prepare students for the realities of modern business.

Reflecting this ethos, IMI Bhubaneswar has achieved significant accolades such as the coveted accreditation from the Association of MBAs (AMBA), the National Board of Accreditation (NBA), the Association of Universities (AIU) MBA equivalence for the PGDM Programme. IMI Bhubaneswar has consistently performed well in national rankings (NIRF), reflecting its commitment to high-quality teaching, training, research, and consultancy. This is the result of exemplary work of our faculty, placement coordinators, and other administrative and academic staff we are proud to have on board with us.

At IMI Bhubaneswar, we believe management education must go beyond classrooms. We are committed to nurturing professionals who think critically, lead with integrity, embrace innovation, and create meaningful impact for organizations and society alike. As we continue to evolve, we invite our recruiters and industry partners to join us in this journey of excellence. Together, let us shape the next generation of leaders who will define the future of business.

CAMPUS HEAD'S MESSAGE

At IMI Bhubaneswar, we focus on developing industry-ready professionals who combine strong management knowledge with analytical thinking, ethical values, adaptability and the confidence to contribute effectively in a dynamic corporate environment.

Our industry-oriented PGDM programme integrates academic rigour with practical exposure through live projects, summer internships, case-based pedagogy, corporate interactions and national-level business competitions. These experiences enable our students to apply management concepts to real organizational situations while strengthening their problem-solving, communication and decision-making capabilities. Continuous faculty mentorship and industry engagement further prepare them to collaborate across functions, work effectively in diverse teams, assume ownership of responsibilities and contribute meaningfully from the beginning of their professional journey.

The diversity of roles and sectors represented in our placement outcomes reflects the versatility and professional readiness of our students. Opportunities have been secured across Sales and Marketing, BFSI, Consulting, Information Technology, Automobile and other sectors, in profiles spanning business analysis, commercial analysis, research, relationship management, key account management, sales, technology consulting and talent acquisition. This breadth demonstrates our students' ability to respond to varied organizational requirements and adapt to different functional and industry contexts.

As the Campus Head – Career Services, I consider it my responsibility to strengthen the connection between IMI Bhubaneswar and the corporate fraternity. My team and I work closely with recruiters to understand their evolving talent requirements and connect them with students who possess the right combination of knowledge, skills, attitude and willingness to learn. We remain committed to transparent communication, efficient coordination and a seamless recruitment experience for both organizations and students.

I also extend a warm invitation to organizations to visit our campus, interact with our students, understand their capabilities and participate in our placement process. I am confident that our students, with their academic rigour, practical exposure, professional agility and values-driven leadership, will contribute meaningfully to your organization. I look forward to understanding your talent requirements and building a productive, enduring partnership with your esteemed organization.

ABOUT **IMI BHUBANESWAR**

IMI Bhubaneswar, established in 2011, is a young institute that achieved the coveted position of 94th rank in the National Institutional Ranking Framework (NIRF) 2025 conducted by the Ministry of HRD, Govt. of India. IMI Bhubaneswar currently offers Post Graduate Diploma in Management (PGDM) and FPM (equivalent to PhD) programmes, which are approved by AICTE. The flagship PGDM programme is accredited by AMBA (Association of MBAs), NBA (National Board of Accreditation), and NAAC (National Assessment and Accreditation Council), and has received equivalence from AIU (Association of Indian Universities). IMI Bhubaneswar draws sustenance through the creation, dissemination, and application of knowledge, which integrates seamlessly to translate into research, teaching, and training for our stakeholders. Nestled in an ecologically invigorating ambience and sculpted by a renowned architect, IMI epitomizes a "gurukul." Our Vision is "To be a premier management school with global outlook for achieving excellence in knowledge creation and dissemination.."

PLACEMENT **OVERVIEW**

IMI Bhubaneswar has once again achieved a stellar placement record, reinforcing its legacy of academic excellence and industry relevance. With participation from over 80 companies, students were presented with a wide array of opportunities, reflecting the trust the industry places in IMI Bhubaneswar's talent. This year saw a steady rise in Pre-Placement Offers (PPOs), many of which stemmed from successful summer internships. BFSI companies emerged as the top recruiters, reaffirming the strong alignment between IMI Bhubaneswar's curriculum and industry needs.

Salary packages saw a steady increase from the previous year, underscoring the sustained value and credibility of an IMI Bhubaneswar education. The campus also welcomed new recruiters, including both established and emerging firms, ensuring a diverse mix of profiles and roles. Noteworthy among the new roles offered were Associate Consultant-Oracle Recruiting Cloud, Senior Analyst, and Bancassurance, expanding the career spectrum for students.

Sectors represented in the placement drive included Consulting, FMCG, FMCD, BFSI, IT & ITES, Market Research, E-commerce, Analytics, and Real Estate, among others. These outcomes highlight IMI Bhubaneswar's continued commitment to producing industry-ready professionals and future leaders in the domains of Marketing, Sales, Banking, Finance, Operations, and Human Resources.
